We Offer What We Believe...

EcruE is a leader today in premium Home-Textile,
traces its root back to 2020 when its visionary founder,
Prachi Jain began operations
with small space and big idea.
While designing for kids,
she developed a keen interest in Home textile.

Inspired by her passion for Home Décor and designing,
the family textile business extended to home
one of the trusted Home Textile brand in India.
Outstanding look & feel with creative designing are
EcruE's top priorities.

No challenge is too difficult !!
No client is too small !!
EcruE is a partnership oriented venture and
partners with every customer,
every supplier and every artisan.
We partner closely with you to provide
the unique creative
differentiation in the competitive,
demanding world of fashion.
